Back Story

Kaden lives with his mum, dad, and his 2 sisters. He's very caring and protective of them.

Kaden engages well at school and is seen as a rising star by all his teachers. His teachers adore his cheeky character and enthusiasm but sometimes he can forget about his coursework. Most often because there is more important matters taking place in his gaming world.

Kaden has friends within several social groups at school. Kaden presents as a 'joker', wants to be liked and he seeks to belong.

Although Kaden presents as confident, he spends a lot of time online looking at posts relating to body image.

In the past, Kaden has been stopped by the police on a few occasions with some of his friends, but he hasn't told his parents.
